Instant Squeeze Page Maker Crack With License Key

Instant Squeeze Page Maker is a handy and reliable utility designed to enable you to create a complete list-building squeeze page. Squeeze pages are the single most powerful list-building strategy ever devised. Just put a squeeze page in front of your sales page and watch your list build itself on autopilot. Now with our superb Instant Squeeze Page Maker, creating your own squeeze pages is an absolute breeze. Here's what you can do with this powerful software. You can set the headline to be shown at the top of your squeeze page. You can enter the text for your squeeze page. You can optionally turn the text into bullet points automatically, to emphasize the benefits of subscribing. You can include an image or photo of any gift you are offering. You can paste your signup form from your autoresponder with a single click. You can enter a privacy note to assure visitors that their details are safe. You can allow visitors to skip your squeeze page, so those who don't want to subscribe can still reach your sales page (this is optional). You can set the color for all the different text items at once - or set the color for each item individually, all using a simple color selector. You can automatically include special code to avoid showing the squeeze page in future to visitors who have already subscribed. Once you've entered your details, just click "Create Squeeze Page" and your complete, ready-to-use page is generated automatically. The software remembers all the text and colors you entered, so you can easily create more new squeeze pages in the future, in a matter of seconds. Note: In order to install the application, you will need to register an account. Features: • Generate list building squeeze pages for autoresponder series. • Add images & text (including bulleted list format). • Insert signup form from autoresponder • Turn text to bullet points • Option to turn text to bold & italicize. • Option to include image or photo of any gift you are offering • Configure custom colors for all text & text background. • Option to exclude the squeeze page from the resulting page, to avoid showing the page to visitors who have already subscribed. • Generate HTML & PDF page. • Option to add text or image for the page (special code for Do Not Show). • Adjust user message as you see fit. • Option to use a privacy page (showing your

What's New in the Instant Squeeze Page Maker?

========== Instant Squeeze Page Maker is a handy and reliable utility designed to enable you to create a complete list-building squeeze page. Squeeze pages are the single most powerful list-building strategy ever devised. Just put a squeeze page in front of your sales page and watch your list build itself on autopilot. Now with our superb Instant Squeeze Page Maker, creating your own squeeze pages is an absolute breeze. Here's what you can do with this powerful software. You can set the headline to be shown at the top of your squeeze page. You can enter the text for your squeeze page. You can optionally turn the text into bullet points automatically, to emphasize the benefits of subscribing. You can include an image or photo of any gift you are offering. You can paste your signup form from your autoresponder with a single click. You can enter a privacy note to assure visitors that their details are safe. You can allow visitors to skip your squeeze page, so those who don't want to subscribe can still reach your sales page (this is optional). You can set the color for all the different text items at once - or set the color for each item individually, all using a simple color selector. You can automatically include special code to avoid showing the squeeze page in future to visitors who have already subscribed. Once you've entered your details, just click "Create Squeeze Page" and your complete, ready-to-use page is generated automatically. The software remembers all the text and colors you entered, so you can easily create more new squeeze pages in the future, in a matter of seconds. Note: In order to install the application, you will need to register an account. Instant Squeeze Page Maker Features: ============ This software is the best list building tool we have used to date. It makes creating squeeze pages a breeze. After using the software for just a couple of weeks, we had more than 15 long term list members generated in our autoresponder. I don't think we will be looking at other tools anymore. Instant Squeeze Page Maker 6.0.8: ======================= - Change text sizes and colors as needed - Paste public profile button from any autoresponder to add your squeeze page - Paste public profile button from your autoresponder to add your squeeze page - Paste privacy policy code automatically - Paste visitor label code automatically - Paste signup form from any aut
